## March Edition

### It's That Time of Year Again!

Many breeds “blow” their seasonal undercoat two times a year during spring and fall. They shed more in these seasons because the changing amount of daylight causes their bodies to prepare for a new season’s coat. This also means that dogs that live indoors under artificial light can’t rely on Mother Nature’s clock, so they tend to shed year round.

While you can’t stop a healthy dog from shedding, you can reduce the amount of hair in your home by brushing your dog regularly. Talk with our groomer, Kevin, about which type of brush or comb will work best for your dog’s hair type.

Schedule a grooming appointment today! Our FURminator add-on helps to reduce excessive shedding by releasing the undercoat during the bath. To schedule an appointment, please give us a call at 254-424-9072!

## Mardi Paws Party!

Bring your pup to our Mardi Paws Party on March 5th! We will have masks, beads, and fun photos for all the daycare dogs! We will also have our own version of the King Cake so 1 lucky dog will be crowned King or Queen and win a free day of daycare!

Be sure to book your spot ahead of time so that there is enough room for your pup at the Mardi Paws Party!

## Spring Break Announcement

Because of our limited amount of kennels, we will not be accepting walk-in daycare dogs during the week of Spring Break! (March 11th-16th)

If you would like to bring your dog for playtime, please let us know so that we can schedule it! Otherwise, we will not be able to take your dog!  
Thanks!

## Bubble Day!

We're celebrating the 1st day of Spring with a bubblepalooza on 3/20! We'll have a bubble machine blowing out tons of bubbles for the dogs to enjoy popping and chasing!
